

# TWINNING BETWEEN SCHOOLS AND PARKS: A COMPLEX EXPERIENCE

*Zernez, October the 19<sup>th</sup> 2010*

*Cristina Del Corso*

*Guido Meeus*

# WHY A TWINNING BETWEEN SCHOOLS AND PARKS?

- Get young people and teachers closer to Nature protection
- Making common strategies
- Improve the knowledge of foreign languages
- Understanding better the relationship between human and nature

# ACTIVITIES' K-WORDS

- interaction
- exchange of cultures
- emotions
- games
- fun
- involvement

# PROBLEMS

- Languages
- Difference in age and different educational level
- Adults' prejudice against human-nature relationship

		May	June	July	August	September	October		

the traditional point of view:  
human beings have power  
over nature

natural point of view:  
all beings are related

# POSSIBLE SOLUTIONS

A working table with the different stakeholders (Parks, teachers, guides, rangers, parents...) to analyse the theme of education from every point of view and to find solutions together

**THERE IS ALWAYS A SOLUTION ...  
WE JUST HAVE TO SEARCH AND TRUST**

*Grazcha – **Merci** – Grazie – **Danke** –  
Hvala !!!*
