

INTERNSHIP 2021

Communication

▪ Background

Since 1995, [ALPARC](#) - the Alpine Network of Protected Areas, supports cooperation between the management teams of the protected areas of the Alpine arc for sustainable management respectful of natural resources, better promotion of the Alpine natural and cultural heritage, sustainable regional development and the safeguard of the link between Man, especially young people, and the natural mountain environment. The network plays a part in supporting innovative management practice, beyond administrative and language borders.

We are currently looking for an intern in communication & media project assistance to take part in a 6-month work placement in our office in Chambéry (France). Working in close coordination with the Project Management & Communication manager, the intern will support the ALPARC team in a range of communication and management activities in particular in the frame of the educational project “Youth at the top”.

▪ Your tasks

1. Supporting the organization, management and communication of the **international educational event “Youth at the top”** (<http://www.youth-at-the-top.org>).
This includes: international partners coordination and follow-up, communication and content development, dissemination of project results, community management, update of the website (Joomla), press release, mailing campaign and video production...
2. Updating and creating content for ALPARC websites (Joomla) and other social media tools such as Facebook
3. Contributing to the ALPARC newsletter and Emailing
4. Supporting the whole team in translations, as per language skills. English is mandatory. Italian or German skills would be an asset.
5. Assisting the team with day-to-day duties and punctual support in communication tasks for other projects
